About Fishamble: The New Play Company

Fishamble is an Irish theatre company that discovers, develops and produces new plays of national importance with a global reach. It has toured its productions to audiences throughout Ireland, and to 19 other countries. It champions the role of the playwright, typically supporting over 50% of the writers of all new plays produced on the island of Ireland each year. Fishamble has received many awards in Ireland and internationally, including an Olivier Award.

What our Friends have helped us achieve:

Against all the odds, in **2021** our supporters enabled our 5-person team to:

- present over **111 presentations of 8 productions.**
- support the employment of over **300 artists** and arts workers during a global pandemic
- share new Irish theatre with over **10,000 audience** members in more than **25 venues and festivals** around the world.

Fishamble typically supports over **50%** of writers of new plays on the island of Ireland year on year. Because of our supporters, Fishamble will be able to continue working with theatre makers across the island, ensuring that the future of Irish theatre is nurtured and supported.

Supporting Fishamble is an investment in the future of Irish theatre, and an investment in agility, adaptability, and talent. Help us to tell the stories of Ireland through daring and fearless voices.

All donations over €250 are eligible for tax relief at a rate of 31% as set out in Finance Act 2013. This tax relief is payable directly to Fishamble.
